

## School Age Schedule

Our Toddler class provides exciting learning opportunities that encourage social-emotional, cognitive, physical and creative growth. Our classroom will be lead in group activities as well as educational class time and free play time. Our main effort is to get your child ready for kindergarten both educationally as well as socially and emotionally. We believe and trust that Children learn best by doing which is why our program organizes learning experiences and structured play in a nurturing, safe and fun environment.

| Time                   | Schedule                                                                                                                                                                                                                                                                                                                                                                                           |
